Affirmative Action Taken At Prior Town Meetings

1994 Town Meeting Article #30

Motion made by Bud Hulse and seconded by Clayton Hinds to authorize the Board of Selectmen to accept gifts of personal property which may be offered to the town for any public purpose, pursuant to RSA 31:95-e. The Selectmen must hold a public hearing before accepting any such gift, and the acceptance shall not bind the town to raise, appropriate or expend any public funds for the operation, maintenance, repair or replacement of any such personal property until rescinded passed with a voice vote.

1994 Town Meeting Article #31

Motion made by Bud Hulse and seconded by Philip Ducret to authorize the Selectmen to convey any real estate acquired by the Town by Tax Collector's deed. Such conveyance shall be by deed following a public auction, or the property may be sold by advertised sealed bids, or may be otherwise disposed of as justice may require, pursuant to RSA 80:80. Until rescinded. Passed with a voice vote.

1994 Town Meeting Article #33

Motion made by Bud Hulse and seconded by Philip Ducret to accept the provision of RSA 33:7 providing that any Town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to issue tax anticipation notes passed with a voice vote.

1995 Town Meeting Article #5

Shall we permit the public Library to retain all money it receives from its income-generating equipment to be used for general repairs, upgrading and for the purchase of books, supplies and income-generating equipment? Until rescinded. (RSA 202.A11: 11-bl)

Ballot Vote: Yes – 381 No – 21

1995 Town Meeting Article #25

Motion made by Bud Hulse and seconded by Karen Harrigan to authorize the Board of Selectmen to apply for, accept and expend, without further action by Town meeting, money from the State, Federal or other Governmental unit or a private source which becomes available during the year, in accordance with RSA 31:95-b, until rescinded, passed with a voice vote.

1995 Town Meeting Article #26

Motion made by Bradley Sheltry and seconded by Ronald Hughes to authorize the Board of Selectmen to accept, on behalf of the town, gifts, legacies, and devises made to the town in trust for any public purpose, as permitted by RSA 31:19, until rescinded, passed with a voice vote.

1997 Town Meeting Article #16

A motion made by Carroll Jackson and seconded by George Gould to see if the Town will vote to adopt the provisions of RSA 202-A: 4-d authorizing the Library Trustees to accept gifts of personal property, other than money, which may be offered to the library for any public purpose, provided, however, that no acceptance of personal property by the Library trustees shall be deemed to bind the town or the library trustees to raise, appropriate or expend any public funds for the operation, maintenance, repair or replacement of such personal property passed with a voice vote.

Affirmative Actions-Cont.

1997 Town Meeting Article #19

A motion was made by Fred King and seconded by George Gould to see if the Town would accept the following petition article:

I Roger C. Lepine of RR 1 Box 142 Munn Road, Colebrook, New Hampshire 03576-9713, hereby PETITION the Town of Colebrook, New Hampshire to maintain and plow said road, Munn Road, in which the Town stop 300 feet short of my property. It was explained that the Town is actually plowing to Mr. Lepine's land presently; however, Mr. Lepine exercised his option to petition the Town. The motion passed with a voice vote.

1998 Town Meeting Article #24

A motion made by David Collins and seconded by Jules Kennett to establish a Cemetery Expendable Trust Fund under the provisions of RSA 31-19a, for the improvement of the Colebrook Cemeteries, and designate the Cemetery Trustees as Agents to expend, and to authorize the Selectmen to appropriate \$2,000.00 of said funds to be transferred from the December 31, 1998 general fund balance passed with a voice vote.

1998 Town Meeting Article #26

A motion made by George Gould and seconded by Carol Dinco to allow the Tax Collector to accept the pre-payment of taxes pursuant to FSA 80:1-a passed with a voice vote.

1999 Town Meeting Article #11

Steve Brooks made a motion, seconded by Sally Wentzell to adopt the provisions of RSA 31:95-c to restrict year-end surpluses of revenue from the Colebrook Dispatch Center to expenditures for the purpose of Dispatch Center. Such revenues and expenditures shall be accounted for in a special revenue fund to be known as the Colebrook Dispatch Center Reserve Fund, separate from the General Fund. Any surplus in said fund shall not be deemed part of the General Fund accumulated surplus and shall be expended only after a vote by the legislative body for a specific purpose of the fund of source of the revenue. The motion passed with a voice vote.

1999 Town Meeting Article #14

A motion was made by Sally Wentzell, seconded by Steve Brooks, to clarify the separation of the Special Equipment Capital Reserve Fund, as represented on the trustees of the Trust Funds 1998 year end report, in the following manner: \$18,506.03 of the sums accumulated to be spent toward the purchase of a police cruiser and \$27,759.05 of the sums accumulated to be spent toward the purchase of highway equipment. The motion passed with a voice vote.

1999 Town Meeting Article #27

Steve Brooks made a motion, seconded by Sally Wentzell to discontinue and release from public servitude the section of road previously the Old Route 3 from Piper Hill Road, South to the present Route 3. Steve explained that the section of road in question is on Jack Riendeau's property and does the Town no good. By selling it, it would go back into the tax base. Bernie Hicks asked if the old road that circles up in front of the house was part of this article. Steve answered that that portion of the road was not in question. Gary Dinco asked if it was true that the Town would not be liable or responsible in the future for anything if the road were turned over. The answer was in the affirmative. The motion passed with a voice vote.

Affirmative Actions-Cont.

2000 Town Meeting Article #7

A motion made by Sally Wentzell, seconded by Steve Brooks, to establish a Colebrook Village Cemetery Fence Expendable Trust Fund under the provisions of RSA 31:19-a, and designate the Cemetery Trustees as Agents to expend, and to authorize the Selectmen to appropriate \$2,000.00 of said funds to be transferred from the December 31, 2000 general fund balance passed with a voice vote.

2000 Town Meeting Article #20

Fred Miller made a motion, seconded by Sally Wentzell, to establish a Main Street (Route 3) Reconstruction Expendable Trust Fund under RSA 31:19-1 and designate the Selectmen as agents to expend, and to authorize the Selectmen to raise and appropriate \$68,000.00. Sally explained that \$18,000.00 would be taken from the sewer department to repair the storm drains and the remaining \$50,000.00 will be used to replace the west side of Main Street to Dr. Katz's building. The motion passed with a voice vote.

2000 Town Meeting Article #21

Sally Wentzell made a motion to establish a Hospital Road Sidewalk Expendable Trust Fund under the provisions of RSA 31:19 a, for the construction of a sidewalk on Hospital Road, and designate the selectmen as agents to expend, and to raise and appropriate \$2,000.00 for this purpose. Kevin McKinnon seconded the motion and it passed with a voice vote.

2000 Town Meeting Article #33

Fred Miller made a motion to allow, under RSA 674:40-a, to delegate to the Board of Selectmen the authority to accept dedicated streets, until rescinded by a future vote of the Town Meeting. Under this authority, the Selectmen may accept any dedicated street only if the street corresponds in its location and lines with a street shown on a subdivision plat or site plan approved by the planning board, or on a street plat made and adopted by the planning board. The Selectmen must first hold a public hearing on every proposed acceptance before taking action. Sally Wentzell seconded the motion and it passed with a voice vote.

2000 Town Meeting Article #34

Fred Miller made a motion, seconded by Sally Wentzell, to accept the road known as Missing Link Way, as shown on Plan 99-78 prepared by F.W. Cowan & Sons Land Surveyors, as a class VI Town Road which the Town has no obligation to maintain. The motion passed with a voice vote.

2000 Town Meeting Article #35

Fred Miller made a motion, seconded by Sally Wentzell to accept the street known as Bill Bromage Drive as shown on Plan 99-13 prepared by F.W. Cowan & Sons Land Surveyors, as a class VI Town Road which the Town has no obligation to maintain. The motion passed with a voice vote.

2000 Town Meeting Article #36

Steve Brooks made a motion to prohibit the sale of motor fuel and/or any other product containing the additive commonly known as MTBE (methyl tertiary butyl ether) in the Town of Colebrook. Fred Miller seconded the motion and it passed with a voice vote.

Affirmative Actions-Cont.

2001 Town Meeting Article #3

“Are you in favor of changing the term of the Town Clerk from one (1) to three (3) years, beginning with the term of the Town Clerk to be elected at next year’s regular Town meeting?” Yes: 252 No: 74

2001 Town Meeting Article #4

“Are you in favor of changing the term of the Town Treasurer from one (1) to three (3) years, beginning with the term of the Town Treasurer to be elected at next year’s regular Town meeting?” Yes: 218 No: 102

2001 Town Meeting Article #12

Sally Wentzell made a motion to discontinue the Cemetery Expendable Trust Fund created in 1998, Article #24. Fred Miller seconded the motion and it passed with a voice vote.

2001 Town Meeting Article #39

Fred Miller made a motion to exchange the 50’ wide right-of-way at the South end of Bouchard’s Apparel building (Tax Map U-12 Lot 7) for a right-of-way through a reinforced concrete pipe conduit to be installed, built and located to Town specifications by and at the expense of the owners of the Bouchard property. The exchange will also include a 25’ right-of-way granted to the Town by the owners of the property from the East or Route 3 end of the conduit around the South end of any proposed building to access the West end of the conduit.

The purpose of the exchange is to relieve a use restriction for the property owners and to protect the Town for any possible future water main alteration or repair. Larry Pryor seconded the motion and it passed with a voice vote.

2001 Town Meeting Article #41

Granvyl Hulse made a motion to accept Bill Bromage Drive, so-called, located in the Colebrook Industrial Park as a Class V highway, as dedicated by the Directors of Colebrook Development Corporation on January 1, 2001. (By Petition) Benoit Lamontagne seconded the motion and it passed with a voice vote.

Official Town Meeting Minutes

The exchange will also include a 25' right-of-way granted to the Town by the owners of the property from the East or Route 3 end of the conduit around the South end of any proposed building to access the West end of the conduit.
- The purpose of the exchange is to relieve a use restriction for the property owners and to protect the Town for any possible future water main alteration or repair. Larry Pryor seconded the motion and it passed with a voice vote.
- Article 40** James McDonald made a motion, seconded by Eugene Jannenga, to make all **Restaurants and Snack Bars** smoke free in our Town. (By Petition) After much discussion, a standing vote defeated the motion. (Yes: 32 No: 45)
- Article 41** Granvyl Hulse made a motion to accept **Bill Bromage Drive**, so-called, located in the Colebrook Industrial Park as a Class V highway, as dedicated by the Directors of Colebrook Development Corporation on January 1, 2001. (By Petition) Benoit Lamontagne seconded the motion and it passed with a voice vote.
- Article 42** Granvyl Hulse made a motion, seconded by Camilla Davison, to accept, ratify and confirm the reports of the Agents, Selectmen, Auditors and all other Town Officers. The motion passed with a voice vote.
- Article 43** To transact any other business that may legally come before this meeting:
- Jon Frizzell reminded the citizens present that the Selectmen currently meet on the second Monday of the month at 5 pm and the fourth Monday of the month at 9 am.
- Don Dickson thanked the selectmen for their support of the Main Street Village Committee. He stated the town meeting forum had accomplished what it was established for – to air differences, but in the end, to get the job done.

The meeting was adjourned at 10:10 pm.

Tax Collector and Town Manager Report

Please let me take this opportunity to thank the citizens of Colebrook, all town employees and all elected officials for their support and cooperation this past year.

The Community Development Block Grant, Economic Development Agency and Department of Environmental Services grants which upgraded the sewerage facility and provided water and sewer services, as well as a spec building for the Industrial Development Park, are in the final closing stages. The Colebrook Development Corporation is working to bring new industries into Colebrook to promote jobs.

The Colebrook Downtown Development Association should be congratulated for their hard work and persistence allowed us to be chosen as participants in the Village Main Street Program. They are working on revitalizing the downtown area and have joined forces with Colebrook's Community Coalition Association to bring a pool to Colebrook.

The addition at the State of New Hampshire Rest Area north of town will house the new Interpretive Center and the Colebrook Chamber of Commerce. These two agencies housed in the same building, with the state and all three agencies working together, should greatly enhance promoting tourism for the North Country.

It is great to see all of the area organizations, several of which have not been named, uniting and working together to make Colebrook a better place to live.

This past year the State of New Hampshire DES Waste Management Department demanded the town look for barrels of contaminants by digging test holes at the landfill. None were found but the cover has been compromised. The town will be required to treat the contaminated material leaching out of the site as well as to recover the landfill.

The State of New Hampshire DES Water Quality Bureau requires all town water supplies to be protected by a 400' radius. Because the present wells do not have this protective radius, a monitoring well will be dug this year to detect any contamination before it reaches the wells. The State will accept the new monitoring well but insists the town investigate other possible well locations, purchase land and eventually hook the wells to the town water system. These two state mandates are going to cost Colebrook taxpayers millions.

This year is going to be very hard for most taxpayers. Your first bill in June will be half of last year's total but the second bill will be calculated on the new tax rate. Please call the town office with any questions you might have regarding your taxes. If you find it hard to pay taxes twice a year, we will be glad to work with you and set up a weekly or monthly payment plan.

Respectfully,
Donna J. Caron

Colebrook Police Report

The Colebrook Police Department & Colebrook Dispatch has made some very significant progress in 2001/2002. First, the new Digital Radio System should be in effect this year. This will allow all police agencies to better communicate with each other in day-to-day operations, as well as, in major contingency operations. This new system has been provided through a federal grant and Major Booth of the New Hampshire State Police has coordinated its implementation. This has been sorely needed since the summer incident of 1997.

Second, your Colebrook Police Department has been very productive in areas of DWI & Domestic Violence Enforcement. We will continue to demand proper compliance to the existing traffic laws so long as we have sufficient personnel. And, in cases of DWI & Alcohol related offenses, there will be a "Zero Tolerance Level." The purpose of this level is to educate the public that "absolute compliance" is necessary to assure the "Safety" of all community members.

Additionally, each year for the past two years, I have given monies from my budget back to the general fund. This has been made possible because I project for contingencies and if those contingencies do not occur then your money is returned.

From a manpower standpoint, we still have a long way to go. Currently, your department is manned by (1) Chief, (3) full-time officers & (2) part-time officers. This is down from (4) part-time positions in 2001. I have had great difficulty in recruiting for these positions because we are just not monetarily competitive. Also, I am striving to develop an organizational structure, which is a necessary ingredient in any police agency. By structure I mean Sergeant, Corporal, etc. it is important to have someone else in a position of authority to facilitate the running of your organization in your absence. I hope to implement the beginnings of this structure in the coming year.

In closing, I have been your Chief since June 1999 and came here with progress in mind. I don't think my expectations have been too high; but we need to quickly improve in many areas. So long as I am your Chief, I will endeavor to be progressive, protecting your interest and those of my personnel. Thank you for your support.

James G. Farrell
Chief of Police

Public Works Report for 2001

September eleventh is going to stick in all of our minds for a long time to come. The events of that day have made us all look at our security and safety measures that we have in place. There are many changes taking place worldwide and that includes the little town of Colebrook. We are a border town and, as such, may be susceptible to terrorist activities. Advice, ideas and government updates have been coming in at a rapid pace to tighten up security around our water wells and various pump stations and treatment facilities.

All our facilities are locked up and patrolled on a regular basis. We are also looking into any further measures we may want to take to help insure safe drinking water and continue good service to the public.

We completed a lot of much needed paving this year. Pleasant and Couture Streets have been completed and look very nice.

Many of our in – town streets got a much needed coat of pavement. The gravel roads also received some much-needed attention. South Hill Road, abutting the Lambert property, has had fabric and gravel placed over it to hopefully alleviate the mud problem there.

We should give our public works crew a huge thanks! Plowing and sanding, cleaning streets, these men strive to make your roads as safe to travel as they can. Because we use only sand, we don't have the luxury of salt to bare the pavement during the winter.

This year we will plan to do more resurfacing of pavement on the East Colebrook Road, Bear Rock Road, Titus Hill Road, and the Colby Street area. Gravel will get put on portions of Reed, South Hill, Piper Hill, and in the east Colebrook area.

Sincerely,

Kevin F. McKinnon
Public Works Director

Colebrook Recreation Department Report

Each year presents new challenges to the recreation department as we continue to strive to meet the growing needs of our community. The year 2001 was very exciting, productive and fascinating.

This winter and early spring we had our 3rd and 4th grade basketball players in action. They worked on the fundamental beginning of basketball, and learned all the necessary skills that will help them as they continue to play. The boys and girls teams play about 8 – 10 games during the season, cumulating in late March with our own 3rd and 4th grade basketball tournament. Our tournament draws approximately 250 players consisting of 12 teams.

As summer turns the grass green and the air is fresh, children look forward to fun, excitement and new activities to participate in. Swimming lessons were continued for another year with strong returning numbers. We had an average of 100 children participate in the "learn to swim" program. Trips camp still remains the highlight of the summer. The children participate in their own style of Olympic games. Also the trips to Attitash, South Pond and Bethel, Maine were well attended. Several other trips were added this year as we went to Whales Tales, Granby Zoo and two trips to Lancaster to swim. Play Soccer camp was again a great hit by the area youth, teaching soccer skills in a fun and creative format.

With the brilliant warm colors of fall, our focus turns to soccer season. The youth soccer program continues to have strong numbers, servicing children in grades 1st – 6th. Each year the skill and game knowledge grows in every player. This fall we again hosted a soccer jamboree with 12 area teams participating.

With the end of soccer season, youth basketball begins with little time for everyone to transition to a new sport. This year we added the 3rd and 4th grade league to the youth basketball program. We also separated 5th and 6th grade boys and girls into their own leagues. This may not always happen but the numbers cooperated this season. By having all these individual leagues, this allowed for more individual development at each level.

At this time, I would like to thank all the dedicated volunteers, without their help the recreation department would find it difficult to continue to improve. Also, I would like to thank the community for the continued support of the recreation department.

Respectfully,

Christina Martin
Recreation Director

Office of the Town Clerk

The end of the year 2001 found the Town Clerk's office, once more, moving forward into the age of automation. This office is now "on-line" with the Bureau of Vital Records in Concord. As it has only been three weeks, we cannot say if it will be a blessing or a headache. Janey and I will continue, however, to do our best to meet the needs of each of our customers with a smile.

The following is a breakdown of the revenues turned over to the Treasurer during the year ending 2001:

Motor Vehicle Registrations (3,207)	\$341,221.00
Dog Licenses (457)	2,890.00
Vital Statistics Abstracts	3,973.00
Births: 46	
Marriages: 27	
Deaths: 42	
Dog Fines	--
Bad Check Collection Fees	125.00
Requests for Voter Checklist	45.00
Filing Fees	<u>11.00</u>
 TOTAL Turned Over to Treasurer	 \$348,265.00

Of this total, \$1,046.50 collected for dog licenses was turned over to the Department of Agriculture for animal population control per RSA 466:4. The full amount collected for vital statistics is turned over to the State of New Hampshire, also.

Colebrook Planning Board Report

The year 2001 followed in the footsteps of former years with myriad permits considered and issued. A considerable number of subdivisions and lot-line adjustments were approved this year. Numerous site plan waivers and site plan public hearings were conducted as new businesses utilized existing buildings within the township.

Anyone who has an interest and would be willing to give some time to public service is encouraged to attend our meetings and consider becoming an alternate to the Board. Meetings are held on the first Tuesday of the month at 7:00 p.m. It is an education on why we have all the regulations that no one wants.

The Board would like to express their appreciation to Eugene Jannenga, who has served on the Board for 10 years, many of those as the chairman.

Statistics for 2001:

	<u>Issued</u>	<u>Denied</u>
Building Permits Issued	84	0
Building Permits Extended	4	0
Sign Permits Issued	17	0
Driveway Permits Issued	12	0
Site Plans Approved	2	0
Site Plan Waivers Approved	7	0
Subdivisions Approved	6	0
Boundary-Line Adjustments Approved	6	0

Colebrook Dispatch Center

In the past year the Colebrook Communications Center has logged 9,987 calls. This figure includes about 475 requests for ambulance, 250 requests for fire and about 2,500 calls for police assistance. We also processed about 2,200 motor vehicle stops for both local and state police units for the towns of Pittsburg, Clarksville, Stewartstown, Colebrook, Columbia, and Stratford, NH, and for the towns of Canaan, Beecher Falls, Lemington, Bloomfield and Norton, VT. We reviewed about 46,000 incoming messages and ran about 21,000 inquiries on our State Police Online Telecommunications System terminal.

We have seen a number of equipment upgrades, including a new computerized digital radio console, paid for entirely with state funds, which has improved communications with state and local police departments. The system will also allow us to communicate directly with the Vermont state police in times of need.

Wages. We have made progress in this area as well. I sincerely hope this trend toward better wages will continue, as it is necessary if we are to attract and retain competent employees. To help insure the best possible service to the community, I have also initiated regular employee performance evaluations, which will help to identify areas in need of attention.

For the upcoming year I am looking forward to installing a new call recording system and to update security measures for the Communications Center. Also on my agenda for this year is a set of 911 maps of our area mounted as to be instantly accessible. If the budget allows, I would also like to see a regular training schedule for the staff to keep everyone updated on new procedures and technologies.

In closing I would like to extend my gratitude, first, to my staff for all their hard work. To the Colebrook Town Manager, Donna Caron, and to the Colebrook Select board for having given me the opportunity to oversee the operation of the Communications Center, and to all the Select persons of the core towns for their support, without which none of this would be possible. Thank you.

Kevin C. MacCready
Communications Supervisor

REPORT ON THE COLEBROOK CEMETERIES

Colebrook has within its boundaries four cemeteries of which the trustees are responsible for three. The fourth is the private Roman Catholic cemetery on South Main Street just north of the Shrine.

The Cemetery Trustees have the responsibility of being the general overseers of the care and maintenance of the three cemeteries. However, in as much as the bulk of the money raised for the maintenance comes from perpetual trusts, the trustees of the Trust Funds of Colebrook are charged by State law with the task of insuring that the trust money is used as the original donors expected it to be.

Village Cemetery:

The Village Cemetery is located on U.S. Route 3 at the northern edge of the village. The bulk of the old cemeteries trust funds are dedicated to this cemetery.

Reed Cemetery:

The Reed Cemetery is located in East Colebrook at the junction of the Forbes and Reed Roads. With one exception the rules that apply to the burials in the Village Cemetery apply to those of the Reed Cemetery. The exception is that, due to the limited space available for future burials, only those persons with either a strong family connection to the cemetery or own their lots may be buried in that cemetery.

Titus Hill Cemetery:

This cemetery is located on Titus Hill Road, east of the village. Since there are no maps associated with this cemetery and no records exist of where the old graves are located, this cemetery, for all practical purposes, is closed to future burials.

St. Brendan's Cemetery:

This is a private cemetery under the control of St. Brendan's Catholic Church in Colebrook; with the exception that the town annually provides a sum of money to assist in its maintenance. We exercise no jurisdiction over its operation. All trust funds that were previously held by the Trustees pertaining to persons buried in this cemetery were turned over (with State approval) to the St. Brendan Trustees in the early 1980's.

Cemetery Trust Funds:

There are five different types of trust funds relating to the village cemeteries: perpetual care, cleaning of tombstones, flowers, trees and shrubs, and general maintenance.

NOTE:

It should be stressed here that the Colebrook Trustees of the Trust Funds are not bound to accept bequeaths from wills or otherwise perform tasks which they feel are not in the best interest of the Town. (e.g. further flower funds.) The Trustees may reject such bequeaths. Consequently, should lawyers or persons drawing up wills call for advice, it is strongly urged that the Trustees advise the person plainly that any bequests against Trustees policy will not be accepted.

Perpetual Care:

This is by far the largest number of trust funds held by the Trustees of the Trust Funds. They can be divided into three types:

- a. **RESTRICTED:** the oldest and largest number of trust funds. These are set up so that the interest is used only for the maintenance of a specified lot.

Cemetery Report – Cont.

- b. **NON-RESTRICTED:** in the early 1980's the wording of the perpetual care trust funds was changed to allow the excess interest accumulated from each new trust to be used for the care of the cemetery as a whole.
- c. **GENERAL TRUSTS:** starting in 1986, by a vote of the town's people at the Annual Town Meeting, it was decided to do away with specific trusts. Perpetual care funds are now transferred to a general cemetery trust fund, and except for the year that the money was received, the identity of the trust is no longer kept separate. We do, however, keep a name card on file of these trusts for reference purposes.

Cleaning of Stones:

There are three trusts that contain within their instructions wording that call for occasional cleaning of the tombstones. These instructions are to be honored as long as adequate funds are available over and above the general care and maintenance of the lots. No further trusts of this nature will be accepted, as the Cemetery Trustee's have initiated a cleaning and reclamation program for the complete cemetery.

Flower Funds:

Originally there were twenty-four (24) lots for which flower funds had been established. These called for flowers to be placed on the lots each Memorial Day. These requests have been honored as long as funds were available to maintain the lots and purchase the flowers. Only nine (9) remain with sufficient funds. Annually (just before Memorial Day) the Trustees of the Trust Funds will contact one of the local flower shops and contract the placement of the flowers on the respective lots. No further trusts of this nature will be accepted.

(All lot locations are based on Nancy Dodge's register of cemetery plots and are all located in the Village Cemetery)

Trees and Shrubs:

This fund was established by Elizabeth and Nellie Young to beautify the Village Cemetery. It can be used for the purchase of trees and shrubs, perennials, etc. little or nothing of the account had been used over the years, and as a result it has grown to considerable size. Presently, approximately \$500 is withdrawn each year to trim the hedges and shrubs.

General Maintenance:

Frank Leonard left money for the general care and maintenance of the Village Cemetery. The interest of this fund has been used primarily to paint the wrought iron fence.

Tibbett's Family Trust:

These funds are to be used to create and maintain the Tibbett's Memorial Park, and such other programs that will add to the beauty of the cemetery. The expenditure of these funds is to be determined annually by the Trustees of the Trust Funds in conjunction with the Cemetery Trustees.

New Cemetery Trusts:

The purchase price of a new lot includes both the costs of the lot and the perpetual care. It is paid to the Treasurer of the Cemetery Trustees, who then turns it over to the Trustees of the Trust Funds.

COLEBROOK CEMETERY TRUSTEES REPORT

This year got off to a rather bad start on the maintenance of the cemetery. We wish to express our appreciation to our sexton, Roland B. Martin, and his workers, Leonard F. Caires and Jack Johnston for the Cemetery maintenance. The program of cleaning and washing the head stones, lifting, leveling and straightening head and footstones, as well as, filling in and reseeding sunken graves was a practice they followed through again this season. These measures certainly added greatly to the appearance of the cemetery grounds.

Our special thanks to Ellie Gooch and Virginia Stickney for the planters of flowers they place at the entrance of the village cemetery and for the Christmas wreaths on the main gate.

Ellie Gooch, Frances and Jean Haynes each year spend many hours planting, watering and caring for the beautiful floral display in the area of the old tomb. Many thanks to each and every one of you for what you have done.

Town meeting action in 2001 closed the cemetery expendable trust fund and created the Colebrook village cemetery fence expendable trust fund. There is \$10,635.00 in this fund (\$6,635.00 from previous fund and \$4,000.00 appropriated on the 2001 budget.) This next year there will be a request for further funds.

Monument markers have been placed at the Reed and Titus Hill Cemeteries. There has also been erected a split rail fence at the front of the Titus Hill Cemetery. At last year's town meeting funds were appropriated to place monuments at the cremation and single lot sections. The cremation section was named the Tibbetts Family Section in memory of long time cemetery sexton Fay Tibbetts. The single lot section was named in memory of Abner and Laura Bean as they had willed a sizeable amount of bank stock to the cemetery.

The following cemetery lots were purchased in the Abner and Laura Bean Memorial Park section last year and trust funds were established:

Robert & Alice Crawford Stephen Cross Jr. & Linda Cross
Jeffrey Norman Broe Jr.

This year there were a total of twenty-nine committals. There were five caskets committed to the tomb awaiting spring burial from other Towns for which we are reimbursed. Our cemetery crew constructed this year a ramp to assist the funeral directors in placing and removing caskets from the tomb.

The four projects the trustees are committed to for future improvements are:

1. Paving the remaining entranceways up to the hedge line.
2. Rebuilding the existing road system.
3. Placement of a new fence along Route 3. This being a very costly project, it will be spread out over a period of years so as not to greatly increase the yearly working budget.
4. To do some work in the disposal area where excess dirt, limbs etc are placed.

There was a donation to the Ezra & Lena Woodrow original trust fund of \$100.00 given by Shirley Woodrow Silver. This donation was given to the trustees of trust funds and they added it to the original trust.

Respectfully submitted,

Sally S. Wentzell
Bookkeeper for the Cemetery Trustees

Colebrook Public Library

The year 2001 was a year of reading. Overall circulation for the library was up over 900 books. We loaned 746 books to other libraries and borrowed 1400.

Great videos and books-on-tape have been donated to our collection which is quickly out growing its space. Books are always welcome and many are used to replace our worn copies.

The children are still our greatest challenge. Mrs. Hebert began weekly visits to Country Day School and monthly visits to the seventh and eighth grade for book talks. The kindergarten, first, second and fifth grades come to visit the library. The library honored Dr. Seuss' birthday with the younger grades and we participated in the Great Stone Face Challenge. (Children from around New Hampshire are encouraged to read from a list of books submitted and choose their favorite book. In May, the winning book is announced at the New Hampshire Library Association's conference.)

The summer reading program theme this past year was "Octipi your mind...READ!"

The library crew decorated a float for the parade and invited Bill Ross to entertain with juggling and unicycling at the Kiwanis Chicken Barbecue. We opened a "bait shop" (with toys and books donated by patrons) for those children who earned coupons for reaching their reading goal. The end of the program was beach day and the children ate hot dogs and swam in pools on the library lawn.

Swimming lessons and the summer reading program have always divided children and parents. This year we held a poolside story hour for those attending lessons.

November 20th the library received a grant from the CliF foundation. It was a matching grant and children volunteered to raise money through a book-a-thon. The library received over 70 books (worth \$1,200.00), which were presented at the school gym with hundreds of children cheering on.

Ellie Gooch has been busy the last two years putting together obituaries from newspapers and scrapbooks. We have four binders full from the present to late 1800's. We are still looking for 1950's and back, as these are hard to find. We encourage anyone with old newspapers or scrapbooks to let us photo copy the obituaries.

Dr. Gifford gave us two old scrapbooks, which we have photocopied and are putting into binders so patrons may enjoy looking at them. Many colorful old stories, births, deaths, marriages and miscellaneous information may be perused.

We try to keep our glass display case full of interesting collections. Curtis Mercier displayed his old White Mountain Hotels memorabilia in August and later did a display of The Balsams. Arnold Goodrum displayed his miniature sugaring operation and Durwood Ducret has displayed his trucks and tractors. George Rainville displayed his paintings of area scenes and donated a beautiful painting of the Methodist Church to the library.

Many visitors to the area have commented on the library. Many come from large cities and are surprised to find we have such a large collection. If you haven't visited YOUR library, stop by and meet your local librarians Julie Colby, Jean Caird, and Teresa Hebert.

Independent Auditor's Report
June 8, 2001

To the Board of Selectmen
Town of Colebrook, New Hampshire

We have audited the accompanying general-purpose financial statements of the Town of Colebrook, New Hampshire, as of and for the year ended December 31, 2000, as listed in the table of contents. These general purpose financial statements are the responsibility of the Town of Colebrook, New Hampshire's management. Our responsibility is to express an opinion on these general purposes financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general-purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general-purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general-purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As more fully described in note 1, the general purpose financial statements referred to above do not include the financial statements of the general fixed asset account group, which should be included in order to conform with generally accepted accounting principles. The amount that should be recorded in the general fixed asset account group is not known.

As described in note 1, the Town has recognized tax revenues of \$431,756.00 in its general fund which were not received in cash within sixty days of year end as required by generally accepted accounting principles (GASB interpretation 3). Town officials believe, and we concur, that the application of the accounting principle, which would result in a decrease of the undesignated general fund balance from \$559,684.00 to \$127,928.00, would give a misleading impression of the Town's ability to meet its current and future obligations.

In our opinion, except for the effect on the general purpose financial statements of the omission described in the third paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Colebrook, New Hampshire, as of December 31, 2000 and the results of its operations and cash flows of its non-expendable trust funds for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with governmental auditing standards, we have also issued our report dated June 8, 2001 on our consideration of the Town of Colebrook, New Hampshire's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grants. That report is an integral part of an audit performed in accordance with government auditing standards and should be read in conjunction with this report in considering the results of our audit.

Our audit was performed for the purpose of forming an opinion on the general-purpose financial statements of the Town of Colebrook, New Hampshire taken as a whole. The combining financial statements listed as schedules in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Colebrook, New Hampshire. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, audits of states, local governments, and non-profit organizations, and is not a required part of the general purpose financial statements. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the general purpose financial statements taken as a whole.

(By petition) (The Selectmen recommend passage of this article.)
- Article 43** To see if the Town will vote to **discontinue** completely two triangular shaped **portions of Couture Street**, and authorize the Board of Selectmen to convey such title as the Town may have in those triangular portions to the abutting landowners, being Norman & Amy Brooks as to the first portion, and North Country Realty Trust as to the second. These triangular shaped portions of “old” Couture Street are more particularly described as follows:
- First Portion** – A triangular shaped parcel comprising 2,382 square feet, more or less, abutting land of Norman & Amy Brooks, as shown on a plan dated 10/13/2000 prepared by Underwood Engineers, Inc., copies of which have been made available to the voters;
- Second Portion** – A triangular shaped parcel comprising 1,720 square feet, more or less, abutting land of North Country Realty Trust, as shown on a plan dated 10/13/2000 prepared by Underwood Engineers, Inc., copies of which have been made available to the voters.
(The Selectmen recommend passage of this article.)
- Article 44** To see if the Town will vote to authorize the Board of Selectmen to **accept** two (2) triangular shaped **land parcels** as shown on a plan of Couture Street dated 10/13/2000 prepared by Underwood Engineers, Inc., copies of which have been made available to the voters, with all interest, rights and privileges the conveying parties may have in them, as follows:
- First parcel** – A triangular shaped parcel containing fourteen hundred (1400) square feet, more or less, to be conveyed from North Country Realty Trust.

Second parcel – A triangular shaped parcel containing seven hundred (700) square feet, more or less, to be conveyed from Norman and Amy Brooks.
(The Selectmen recommend passage of this article.)

- Article 45** To see if the Town will vote to **charge a fee** for items and/or material disposed of at the Town of **Colebrook Transfer Station** by any person, company or organization generating such waste as a result of a business or professional activity, excluding recyclable cardboard, recyclable newspapers, recyclable magazines and, during the time the burn pit at Skyline Drive is open, unpainted wood and trees or brush not exceeding five (5) inches in diameter. Fee schedule is to be based on the Town's actual cost, reviewed and finalized at a public hearing with at least fourteen (14) days' notice. To become effective seven (7) days after conclusion of public hearing. (The Selectmen recommend passage of this article.)
- Article 46** To **gravel, plow and maintain** a road at 18 Bridge Street, Colebrook, NH. Thank you for your kind consideration. (By petition) (The Selectmen do not recommend passage of this article.)
- Article 47** To see if the Town will adopt an ordinance to prohibit **Smoking in Restaurants**. (By petition) (The Selectmen do not recommend passage of this article.)
- Article 48** To see if the Town will vote to authorize the Selectmen as agents to withdraw funds from the **Sanitary Landfill Closure Fund**. (The Selectmen recommend passage of this article.)
- Article 49** To see if the Town will vote to **accept, ratify and confirm** the reports of the Agents, Selectmen, Auditors and all other Town Officers.
- Article 50** To transact any other business that may legally come before this meeting.

Given under our hands and seals this 25th of February 2002.
